Coming Attractions

Getting Started with ARIN Online

Interactive content for creating:

- ARIN Online account
- Point of Contact record
- Organization Identifier
- and more

From Webinar to eLearning

- IPv6 Address Planning
- Routing Security
- ARIN APIs

Get involved from the beginning

Contribute ideas for e-learning modules:
training@arin.net

Volunteer to participate in user testing:
training@arin.net

When we launch,
help spread the word!

When does ARIN Academy launch?

Looking Ahead

Q2 2024

- Staffing – Instructional Design Specialist position
- Transitioning existing assets — "modularization"
- Begin content refresh on current on-demand webinars (Internet Routing Registry, IPv6 Address Planning, Resource Public Key Infrastructure)

Looking Ahead

Q3 2024

- Internal training build-out
- Opening staff training portal
- Compliance training
- User testing for customer training

Looking Ahead

Q4 2024

- Live demo at ARIN 54
- Launch the first course with "ARIN Online Basics" Certificate

Routing Security, IPv6 Address Planning, and more to follow in 2025

Thank You
