M&A Transfer – Preparation Tips

Be ready to pay the transfer fee immediately

Identify the transactions that take us from the source to the recipient

- Exact organization names are important
- Include all organizational name changes

Gather legal documentation for each transaction

- SEC.gov helpful for publically traded companies
- Secretary of State sites may contain legal documentation

Review RSA & NDA (if required) before your transfer

M&A Transfer – Documentation Tips ARIN 41

Press releases are not considered legal documentation

You may redact financial & any other sensitive information that doesn't relate to the transfer of assets

Provide schedules/attachments such as:

- Included assets
- Excluded assets
- Other exclusions

M&A Transfer – Process Tips

You will never be required to return space

Legacy RSA an option if resources are not under contract

If you have any questions, call our help desk

- Generally we review & reply within 2 business days
- If you have a question, better to call & ask it, then provide what's needed

Escalated review is available

• ... but remember that could delay things.

Specified Recipient (Source) Tips

Verify the org name is active/in good standing

If not, allow several months to complete merger & acquisition transfer

Make sure an officer signs the transfer acknowledgement and gets it notarized

Specified Recipient Tips

Get pre-approved for 24-month need (free)

- No justification for initial /24
- For additional blocks or larger than a /24, provide documentation detailing the use of at least 50% of the requested space within 24 months
- Utilization % for previous IPv4 blocks

Submit 8.3 recipient request after pre-approval
